The Galveston Island Nature Tourism Council is a non-profit 501(c)(3) organization. Your sponsorship supports Galveston Island Nature Tourism Council's Raptors in Schools program. Each year during FeatherFest week, we provide free raptor shows in area schools. The raptor shows feature hawks, owls, vultures, and other birds in a free flight educational program. The children learn about the natural history of these incredible birds along with their unique traits and natural abilities. This opportunity provides a unique experience that may otherwise not be an option for schools.

If you would like to be a Raptors Uncorked 2025 Sponsor, please complete and return the following information. Please direct sponsorship questions to Julie Ann Brown, 713-806-1359, or dir@gintc.org.
